Wall-mount Range hood ~ DWRH301SSST

Features

- Your kitchen will be quickly cleared of smoke, vapours, and food odours by the range hood s strong dual centrifugal fan system. You can easily program the fan speed as they are equipped with three speed settings.
- This trendy range hood is available in both 30 and 36-inch models, making it ideal for ranges of various sizes. The elegant stainless steel design enables it to fit in effortlessly will all types of kitchen decors.
- The high-grade stainless steel construction means cleaning can be performed easily and quickly. The material is also designed for kitchen health and safety.
- If you forget to turn the fans off there s no need to worry if you have activated the automatic turn-off system. This smart feature will shut the unit down after five minutes, allowing you to save on electricity costs.
- The advanced automatic heat sensor will make sure the fans are turned on to the appropriate speed once the unit reaches 70 degrees C (158F). This futuristic system also operates while the appliance is off.
- Lighting and vision are never a problem with the Silhouette Select DWRH301SSST range hood since the lighting is provided by a pair of strong halogen lights. You can easily select your favourite of the three different brightness levels.
